***WARNING:** Each paper or fee filed by "Express Mail" **must** have the number of the "Express Mail" mailing label placed thereon prior to mailing. 37 C.F.R. 1.10(b).
"Since the filing of correspondence under § 1.10 without the Express Mail mailing label thereon is an oversight that can be avoided by the exercise of reasonable care, requests for waiver of this requirement will **not** be granted on petition." Notice of Oct. 24, 1996, 60 Fed. Reg. 56,439, at 56,442.

The listed document (JP 10-173943) was cited in an Office Action (entitled “Reason of Refusal”) mailed on October 7, 2008 from the Japan Patent Office in connection with corresponding Japanese Patent Application No. 2003-179241. A copy of the Office Action is also enclosed, as is an English translation of the portion of the Japanese Office Action that discusses JP 10-173943.

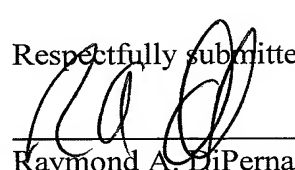

Accordingly, for the concise explanation of relevance of JP 10-173943, the Examiner is directed to the English translation of the portion of the Japanese Office Action mentioned above (see in particular Reason B of the Rejection), as well as to the English-language abstract of JP 10-173943 submitted herewith.

To the best of Applicants’ knowledge, an Office Action on the merits has not yet been mailed by the U.S. Patent and Trademark Office, and therefore no fee is believed to be due in connection with this paper. Nevertheless, if any fee is deemed to be due in connection herewith, please charge that fee to Deposit Account No. 12-0425.

CONCLUSION

It is respectfully requested that the above information be considered by the Examiner and that a copy of the enclosed Form PTO-1449 be returned indicating that such information has been considered.

Respectfully submitted,

Raymond A. DiPerna
